GOOD SHEPHERD HUMANE SOCIETY, INC NEWSLETTER

SPRING 1982

Officers:	President	C. C. Sprinkle
	Vice President	Phil Schloss
	Secretary	Beth Brewer
	Treasurer	Dottie Sprinkle

Members of the Board: C.C. Sprinkle, Phil Schloss, Beth Brewer, Dottie Sprinkle, Cliff Cox, Tommye Thomas, Ed Tatro, Virginia Tyler, Skip Sackett, Doris Paul, Joe Peterson

Dear Friends:

It has been a quiet year, but one with a good many accomplishments. The officers we elected last year have been loyal and hard working and our Board has worked hard and harmoniously through this past year. The Thrift Shop-known around town as the "Dog Shop"- has broken record after record in sales. Not enough can be said about the dedication of the women who "man" the Thrift Shop. There were very few days this past winter when these loyal volunteers failed to show up in spite of ice, snow and cold. In addition, our artist, Dorothy Marie, has drawn and furnished our art work, signs for the shop and even the letterhead for this letter. Our sincere thanks to them.

"EUREKA SPRINGS GOES TO THE DOGS"

Our annual meeting will be held May 17, at 2:00 P.M., at the new First Federal Savings Hospitality Room, out on 62 East, next door to the Chamber of Commerce Visitors Information Office. There will be plenty of parking room across the street. One matter of business that is most important is filling three vacancies on the Board of Directors. Three Directors terms are expiring this month, they are Cliff Cox, Ed Tatro and Phil Schloss. The nominating committee (Tommye Thomas, Virginia Tyler and Doris Paul) recommend that these three be reelected for a period of three years. They have been invaluable as far as loyalty and cooperation is concerned and have indicated their willingness to serve another term. The Nominating Committee urges you to vote these hard-working men back on to the Board of Directors.

The Board has filled the unexpired term of Jack Evans, who regretfully resigned a couple of months ago, with Jo Peterson. Joe has been vitally interested in the Thrift Shop for as many years as it has been in existence and we know that she will bring that same dedication to work on the Board of Directors.

After the business meeting, which should adjourn around the time school lets out, we will all "go to the dogs." The Trolley and the City Bus will be available to take all to the Railroad Station, where we will be given a free ride on the train to the Good Shepherd Animal Shelter. This will be a gala affair with refreshments, a raffle, balloons and a tour through the Shelter. There will be music by the "Beaver/Butler Holler' Hill Harmonic Orchestra" and all sorts of pleasant surprises. Dr. Muller, our local Veternarian, will be there to answer any of your questions about animal care, etc. Then the train will take us back to the station, and the trolley back to the meeting place.
